Barangay West Kamias

Quezon City, 1109

Dear Honorable **Dondon Dacones**,

I hope this letter finds you well. I am Lester James Mapa, a student from the Diploma in Information technology at the Polytechnic University of the Philippines (PUP). As part of our academic requirements, our group is currently conducting a capstone project, which aims to develop a web-based Document request system for the residents of Barangay West Kamias called **REQWEST**.

In connection with this, we would like to request your permission to conduct an interview with key individuals within Barangay West Kamias. The purpose of this interview is to gather valuable insights and data that will aid in the successful completion of our project. We assure you that all information will be treated with the utmost confidentiality and will be used solely for academic purposes.

We would greatly appreciate it if you could grant us the opportunity to conduct the interview at a time that is most convenient for the participants. We are flexible with the scheduling and will ensure that our interview process will not cause any inconvenience to your office or the barangay residents.

Thank you very much for considering our request. We are hopeful for a positive response, and should you need further information or clarification, please do not hesitate to contact me at 09931495505 or via email at ljmapa7@gmail.com

We look forward to your kind approval and support.

Sincerely,

Lester James C. Mapa
