INFORMATION TECHNOLOGY

OBJECTIVE

Dedicated Information Technology student seeking an internship opportunity to apply academic knowledge and technical skills in a practical environment. I quickly adapt and learn through hands-on experience, even under pressure. With the skills I have in web development and network administration, combined with my problem-solving abilities, I aim to assist in web development and IT support tasks, while gaining valuable experience and contributing to the success of the team.

EDUCATION

La Consolacion College Manila

SHS – Accountancy, Business, and
Management
